NEW CLUBHOUSES AND TEEN TECH CENTERS LAUNCHED.

Teens from around the world convened for Teen Summit, a biennial week-long youth leadership event.

global Clubhouse and Teen Tech Center alumni gathered for the second Alumni Summit, a professional development and networking opportunity.

Youth from 7 Clubhouses around the USA completed career pathways workshops and summer internship experience.

Catalyst Workshops, trainings for educators, held to share The Clubhouse’s model and expand its reach.
Dear Friends of The Clubhouse,

What a year was 2018! We celebrated 25 years of global youth impact, moved to a beautiful new home in the heart of Boston’s Roxbury neighborhood, and expanded our Clubhouse-to-Career Pathways initiative around the country. We also opened twelve new Clubhouses and Teen Tech Centers, with many more on the horizon. And we expanded the Clubhouse Catalyst initiative, sharing our unique Clubhouse learning model with educators in other educational settings.

In 2018 we also held our 9th biennial Teen Summit for global teen leaders -- a life-changing experience for Clubhouse teens who have never been away from home, let alone spend a week on a college campus building skills with others from around the world.

We’ve been able to accomplish all these things thanks to the many companies, foundations, government agencies, and individuals who support The Clubhouse Network’s mission.

With your continued help, we’re positioned for a future that’s strong, and bright. Thanks to everyone in our Clubhouse community—donors, community partners, Board members, volunteers, and staff -- for helping to support our next 25 years of growth and impact around the world.

Visit theclubhousenetwork.org or connect with us on social media to learn how you can get involved. Thank you for your support.

Gail Breslow
Executive Director, The Clubhouse Network

**MEMBER SPOTLIGHT**

**BRITTANY WASHINGTON**
C4K Clubhouse
Charlotteville, VA, USA

“Teen Summit changed my life and the lives of the other teens I met there. I learned so many creative new skills including coding, video editing, music production and more! I also pushed myself out of my comfort zone when I was asked and agreed to host the talent show - a chance for the teens to share their skills with everyone at Teen Summit. The experience was AMAZING!!!!!!”

Brittany has been a member of the C4K Clubhouse since 2013. At the Clubhouse she developed skills in video editing, web design, HTML, and graphic design. Outside of the Clubhouse, she founded a video editing startup.

---

**MENTOR SPOTLIGHT**

**JUDITH GUERRERO**
Clubhouse alum and current mentor
ListAmerica Clubhouse
Tustin, CA, USA

“I became a mentor because of my gratitude. During my time as a Clubhouse member, my coordinator and mentors encouraged me to continue asking questions and brought me out of my shell. If it weren’t for this program, I wouldn’t have met all the people that encouraged me to do what I love, which is learning. My favorite part of mentoring is seeing how everyone is positively impacted. I know the difference this program made to me and my family.”

Judith is currently an accounting student at Irvine Valley College. She joined the Clubhouse in 6th grade and at age 14 attended Teen Summit, where she learned new skills and made friends from around the world. She enjoys mentoring in the Clubhouse and encouraging members to explore their interests, keep asking questions, and keep learning.

**DONOR SPOTLIGHT**

**BEST BUY**

“Best Buy is committed to building brighter futures through technology. We’re honored to call the Clubhouse Network our strategic implementation partner and couldn’t do this important work without them. We look forward to continuing to work with TCN to ensure all young people have the opportunity to pursue their dreams.” - Andrea Wood, Head of Social Impact at Best Buy

Across the country, many communities lack support and access to the tools and experiences that can unlock a better future and prepare teens for the challenges ahead. Since 2012, Best Buy has partnered with The Clubhouse Network to bring Best Buy Teen Tech Centers to 29 different U.S. cities, with a plan to launch 60 by 2020.

**A YEAR OF GRATITUDE**

The Clubhouse Network’s 2018 Annual Report

**MAKING A DIFFERENCE**

Across the global network and over multiple years, independent research* shows the Clubhouse experience has a positive impact on young people’s lives:

- 93% plan to continue their education after high school
- 92% are more confident they have the personal skills to be successful
- 75% are more interested in studying STEM because of the Clubhouse.

*Data aggregated from 2015, 2017 and 2019 surveys by Inverness Research.

Our Impact

THE CLUBHOUSE MISSION
The Clubhouse mission is to provide a creative and safe out-of-school learning environment where young people from underserved communities work with adult mentors to explore their own ideas, develop new skills, and build confidence in themselves through the use of technology. In support of that mission, The Clubhouse Network supports community-based Clubhouses around the world by providing start-up support, professional development, new technology innovations, evaluation and assessment, partnership opportunities, and access to an online community for youth, mentors, and staff.

A GLOBAL COMMUNITY...

More than 100 Clubhouses
In 19 Countries
Serving 25,000 Youth per year

Providing youth with access to resources, skills, and experiences to help them succeed in their careers, contribute to their communities, and lead outstanding lives.
